

Maternal, Newborn, Child & Youth SCN™

Health Outcomes Improvement Fund II (HOIF II)

Grant Competition

Background and Purpose

The mission of the Maternal Newborn Child and Youth (MNCY) Strategic Clinical Network™ (SCN™) is “to bring together people, evidence and data to achieve the best possible health outcomes for mothers, newborns, children and families within a sustainable, publically funded health care system.” To facilitate this mission, Nutrition and Food Services (NFS) at Alberta Health Services (AHS) has made value-added funds available to the MNCY SCN to be used **for research and quality improvement (QI) projects to improve health and clinical care for mothers, infants, children, and youth.**

The registration and grant review process will be managed by **PolicyWise for Children & Families.**

The following proposals are invited:

- Open Projects – Impacts one of the MNCY SCN populations and budgets up to \$50,000 with a duration of two years
- Targeted Projects (Small) – Addresses a MNCY SCN priority and budgets up to \$50,000 with a duration of two years
- Targeted Projects (Large) – Addresses a MNCY SCN priority and budgets > \$50,000 to \$375,000 with a duration of three years
