

Clinical Research Basics

Clinical Trials Laboratory, Laboratory Services (CTL) within Alberta Health Services and the Northern Alberta Clinical Trials and Research Centre (NACTRC) are pleased to present Clinical Research Basics. This session will help research coordinators and managers understand:

- CTL services, including
 - Applying for operational approval
 - The Quote form and quote application process
 - The Lab Services Agreement
 - The sample and final Lab Requisitions
- NACTRC services and partnerships, including
 - How to apply for operational approvals and upload agreements using the NACTRC system (Encaps/Forcorp) at www.nactrc.ca
 - Finance and budgeting supports
 - Contracts
 - Timelines and efficiencies

Date: Thursday, November 23, 2017
