

## Clinical Research Seminar Series

A monthly seminar series hosted by the Office of Research (FoMD) & NACTRC

# *Clinical Trials Budgeting*

## Part II: PI-Initiated/Grant-Funded Trials

As part of this two-part-series, **Dawn Oppenorth** (Project Manager, Department of Critical Care Medicine) and **Sergey Nikitin** (President & Director, Prime Site Research Solutions Inc.) will provide an introductory seminar on clinical trials budgeting for **investigator-initiated/grant-funded trials** (Part II). Topics covered will include pre- and post-award budgeting for clinical trials.

This session will be geared to those with a beginner-to-intermediate level of knowledge and expertise with clinical trials budgeting.
